Bathymetric Survey Operations between Iona and Fionnphort

Mariners are advised that a Bathymetric Survey is to be conducted in the area between Iona and Fionnphort, commencing 0800 – 1700 on Saturday 07/11/2020 until close of the day on Thursday 12/11/2020. [Please see attached document for the exact area to be surveyed.](#)

Nature of works

The survey is being conducted as part of the regular planned survey that the harbour authority conduct to monitor the state and any changes to the seabed.

The survey will be conducted from the vessel “Coastal Sensor II” a 6.5m Cabin RIB. The vessel will keep a listening watch on VHF Ch 16 should any vessel need to liaise with the crew conducting the survey. Mariners are requested to proceed with caution at all times in the vicinity of the survey vessel.

Further information can be obtained from the Harbour Master on 01631 562892 / 07920 543555.
